Subject: FW: 2012 Online Enrollment - Not in Good Order

Dear Kate,

We are looking forward to the 2012 plan year and working with you. Unfortunately, the system was available today for testing and maintenance, not for re-enrollment. Our records indicate you submitted an enrollment for 2012 FSA. We cannot accept your enrollment until the Open Enrollment period has officially started. The Open Enrollment window starts October 3 and ends November 18.

Please respond back to this email to verify that you understand that you need to re-enroll during Open Enrollment. We don't want you to miss out on this benefit. We apologize for the inconvenience.

Sincerely,

Benefit Strategies, LLC
